

La Lombricaia

————— *di* MONTALBINO 

Many guests have asked us about this name.

It's part of our history, we found here a worm farm producing organic loam. More than fifteen years ago we decided to name our restaurant *La Lombricaia* a little bit ironically and in a spirit of continuity with the past.

The restaurant, the Agriturismo and the farm *Montalbino* are the three complementary realities of our project in this place.

Genuineness, seasonality, a special attention to the local producers and to the nature, and the constant dedication and commitment are the ingredients of our cuisine.

Buon appetito!
